**DEFENDANTS' MOTION FOR ENLARGEMENT OF TIME**

NOW COME, defendants by and through counsel of record and pursuant to Rules 6 and 33 of the Federal Rules of Civil Procedure, hereby moves the court for the entry of an order extending the time within which they may serve objections and responses to plaintiff's second set of interrogatories and request for production of documents (hereinafter "discovery requests"), served upon them. In support of this motion, defendants respectfully show the court that they were served with a copy of the discovery requests on 30 January 2004, through the United States Postal Service, that the time for responding to the discovery requests has not expired and that defendants need additional time within which to formulate their responses to these discovery requests. Counsel for the defendants has discussed this motion with counsel for the plaintiff and counsel for the plaintiff consents to this motion.

WHEREFORE, the defendants pray the court to extend the time within which to serve responses to the discovery requests for an additional twenty (20) days.

This the 26 day of February, 2004.
